To

The Hon'ble Minister for Public Works,

M A D R A S .

Sir,

Sub: Regarding the matter of ruling by the persons not elected in the present Social Government.

.....

1. Our Pambethady village is not joining in every mat with the Kalmadka Panchayat since 1950 and we have already informed these things to the Kalmadka Panchayat, Local Board and Madras Government respectively several times.

2. Having considering all these things that since 195 we have not joined with the Kalmadka Panchayat and the Gover ment has not yet granted a seprate Panchayat for our villag we have to say that it is nothing but dictatorship done by t other villagers(officers ) on us(Pambethady villagers). -Mo And also from our village a lot of assessment as well as cess have been collected by the Kalmadka Panchayat andnot a singl pie is used for our village. Hence we request that necessar steps may be taken at an early date as described in our proc ings 51/17-10-1953(enclosed) .

That has to be used for public works in our village, and we request that the same may be ordered to be paid over to us for our public works as requested by us previously. The President, Members others officers of the said Kalmadka Panchayat are the persons belonging to the said village and it is a great mischief that they used our moneys.
